Dynamic Framer Recognized at National Hardware Show

Do It Yourself, Like A Pro. Without the Cost.

Dyer, IN— February 3, 2023 — Dynamic House LLC is pleased to announce that the Dynamic Framer has been selected as a new product “Favorite Find” at the National Hardware Show in Las Vegas, Nevada. Identified by the NHS’ group of influencers looking for new and innovative products that will define the future of home renovation, Dynamic Framer inventors Guillermo Rivera and Hank Nick presented the three-piece wall framing kit live on the show’s main stage.

Chosen from among more than one hundred new products on display at the world’s largest hardware and home renovation show, the Dynamic Framer kit simplifies wall construction for Do-It-Yourselfers determined to work accurately and cost effectively. The innovative three-component kit caught the attention of numerous NHS influencers, manufacturers, retailers, and show attendees.

“We’re honored to be selected by the influencers at the 2023 NHS. We were able to make some great connections within the industry and hope to continue developing those relationships with potential partnerships and licensing agreements that will help us bring the Dynamic Framer to market,” said Eva Rivera, Dynamic House LLC Chief Operation Officer.

Positive Customer Impact

In working with consumers, local store managers and industry influencers many have expressed an interest in the Dynamic Framer tool kit. The Dynamic Framer is a leading-edge

solution to help homeowners build walls straight and level the first time. “We could have used this to frame our basement,” said Lori, homeowner.

About the National Hardware Show

The NHS unites home centers, independent retailers, online retailers, wholesalers, distributors, and everyone in between in the building and home renovation industry to discover the newest products, innovations and trends that are shaping the future of the home improvement and DIY industry. In 2023 NHS partnered with NAHB International Builders’ Show® (IBS) and NKBA’s Kitchen & Bath Industry Show® (KBIS) at Design & Construction Week® at the Las Vegas Convention Center to offer even more buying, selling and networking opportunities to the Hardware and Home Improvement community.

The NAHB International Builders’ Show (IBS) is the world’s largest annual residential construction show and is the must-attend event for professionals in the building industry. IBS is produced by the National Association of Home Builders (NAHB) which represents 140,000+ members and is the voice for housing policies to make housing a priority.

The National Kitchen & Bath Association (NKBA) is the not-for-profit trade association that owns the Kitchen & Bath Industry Show® (KBIS), as part of Design & Construction Week® (DCW). KBIS, in conjunction with the National Kitchen & Bath Association (NKBA), is an inspiring, interactive platform that showcases the latest industry products, trends and technologies.
